

Karen Almeida has lived in Mattapoisett for 41 years, still residing there with her husband and children. She has been in real Estate for 18 years, all with Jack Conway & Co., the last 10 of those years being in the management position at Conway's Mattapoisett office. Ms. Almeida is a WHALE Historic Home Specialist, holds the GRI and ABR designations, and keeps busy within her community serving on the Board of Directors for Child and Family Services and Holiday Hope Committee. Karen also serves as a Director on the Greater New Bedford Association of REALTORS® Board of Directors and on the Grievance Committee. As you can see, Karen has a full plate and still manages to satisfy her family and clients needs.
